## CLUTCH FORK & PIVOT BALL KITS

As part of ACS's commitment to the industry along with our innovative approach to new product development, ACS have put together a new program where we combine the clutch fork, pivot ball and any other affiliated parts into one kit making it simple and easy to order.

There's nothing worse than needing a clutch kit, clutch fork and pivot ball only to find out they are not all available from one location which requires multiple freight deliveries.

ACS have stocked warehouses around Australia with fork kits for popular applications enabling our customers to order a clutch kit and fork kit from one location. This will reduce the time it takes to fulfill an order requirement and get that car off the hoist as quickly as possible.

The range covers popular applications for:  
Toyota, Subaru, Hyundai, Great Wall, Nissan,  
Ford, Mazda, Mitsubishi, Isuzu & GM.

**NOW AVAILABLE AT A WAREHOUSE NEAR YOU!**

For more information contact your local ACS representative or call 1800 CLUTCH.
