

## RANGE EXPANSION

AG Clutch continue to expand its range of applications and now cater for the many emerging models of Chinese manufactured agricultural equipment.

The new kits suit vehicles from Agrison, Foton, Rhino and East Wind.

Our extensive **online catalogue** includes both replacement clutch kits as well as heavy duty upgrades for reliability in tough conditions.

With a wide range of accessories, tools & actuation components you have everything required to ensure the best operation.

We also offer a rebuild service that returns the clutch to like new condition or can also upgrade it to different disc materials etc.
